

MISSION STATEMENT

Our mission is to provide the highest standard of care in a friendly and welcoming environment. In doing so we hope to be a positive influence in the lives of all those we are blessed enough to touch. By creating beautiful smiles, we hope to improve our patients' appearances and their self-esteem, setting them up for success in both their personal and professional lives.

DR. J. SANDERS GRAF

Dr. Graf was born and raised in Mobile, Alabama, the second of four boys. He attended Louisiana State University, where he met Eloise Kayser Graf, a Shreveport native, who would eventually become his wife. He received his dental degree from the University of Alabama, School of Dentistry, in Birmingham. After dental school, he attended orthodontic school, also at Alabama, where he received his Masters Degree in Orthodontics. This program is considered one of the best in the nation, providing exposure to the most advanced technology in the orthodontic field today.

Dr. Graf is a diplomat of the American Board of Orthodontics, the highest level an orthodontist can attain. He is a member of the American Association of Orthodontists, Southern Association of Orthodontists, American Dental Association, Louisiana Dental Association, and the Northwest Louisiana Dental Association. Since graduation, he has returned to Alabama to lecture to the orthodontic residents there. He also regularly attends meetings of the LSU Oral and Maxillofacial Surgery Department, helping educate their residents about the orthodontics involved with orthognathic surgery. He attends numerous orthodontic continuing education courses and stays on the cutting edge of orthodontics.

DR. DON COPE

Dr. Don Cope, founder of Cope & Graf Orthodontics, created beautiful smiles for over 6,000 patients in his 32 year career as an orthodontist. His legacy of providing the highest quality service and his genuine care for his patients continues today through Dr. Graf and the staff at Graf Orthodontics.
